

E-files, digital docs so fine,
With pages of text and images combined!
They travel far and wide,
Their content secure and locked inside.
From contracts to e-books, they hold much data,
A wealth of wisdom, just a simple touch to get a.
Easily accessible, just a click,
Their versatility, a clever trick.
(Placeholder for a new line)
No matter the platform, they remain the same,
Their format universal, their fame remains in the
frame.
E-files, the future of paper and ink,
Forever altering the way we think.
