E-files, digital docs so fine,  
With pages of text and images combined!  
They travel far and wide,  
Their content secure and locked inside.  
From contracts to e-books, they hold much data,  
A wealth of wisdom, just a simple touch to get a.  
Easily accessible, just a click,  
Their versatility, a clever trick.  
No matter the platform, they remain the same,  
Their format universal, their fame remains in the  
frame.  
E-files, the future of paper and ink,  
Forever altering the way we think.
